

# COVID-19

## If a Person Has the Following Symptoms:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Runny nose
- Muscle pain
- Sore throat
- Loss of taste or sense of smell

Children have similar symptoms to adults and generally have mild illness.

This list is not all inclusive. Other less common symptoms have been reported, including gastrointestinal symptoms like **nausea, vomiting, or diarrhea**.

Please call HealthLine 811 to get an appointment with the test centre in La Ronge. There is little or no waiting time. You can also get a referral through the La Ronge Medical Clinic.
