Animal tags are in!
Friday April 30, 2021

We have received our animal tags for those who have registered their pets. We will contact those who previously registered to let them know they can pick up their tags at the Public Works & Housing Office. See Miranda Ratt.

Please be advised the Registration Fee was waived only until April 1, 2021. Those who have registered after this date and are yet to register will have to pay the standard fee of \$10 per animal. Forms can be picked up at the office and are available online on the LLRIB website.

Payments can be made at the office (cash/debit) or EMT to rent.payment@llribpw.ca MSG: Animal Control.

Also, we have filled the Animal Control Officer position. James "Magic" Ratt from La Ronge has been hired and will start Monday May 3, 2021. We are pleased to have him back!

For all work orders you can call either the Public Works office at 425-2884 or you can contact him directly at 420-7708.
