Dear Membership:

**Re: Update on LLRIB Treaty 6 Agricultural Benefits (Cows and Plows) Claim**

This is an update with respect to Lac La Ronge Indian Band's (LLRIB) claim for Agricultural Benefits pursuant to Treaty 6.

In 2023, Canada offered to negotiate LLRIB's Claim through an Accelerated Process. LLRIB agreed to Canada's proposal, and an Agricultural Benefits Committee was established to facilitate the negotiations.

Negotiations have been productive and are ongoing. These negotiations included a meeting with Gary Anandasangaree, Minister of Crown-Indigenous Relations. This meeting was productive, and the Agricultural Benefits Committee is hopeful that Canada will make a formal offer of settlement in the spring of 2024.

We will continue to provide such updates – as has been the practice – on the progress towards settlement of LLRIB's Cows and Plows Claim.

We wish the membership a Merry Christmas and a Happy New Year.

Tiniki!

Sincerely,

Chief Tammy Cook-Searson
